Dear Mr. Martin:

Thank you for making such an extraordinary film. You are welcome to use the following comments to publicize the documentary:

*For Love Of Liberty: The Story of America's Black Patriots* is a truly important work. More than a documentary, it is a long-overdue document celebrating, commemorating, and at long last acknowledging the heroic efforts of our country's African-American soldiers. Despite their extraordinary achievements, these brave men have been ignored by historians, their contributions all but forgotten. *For Love of Liberty* takes an important first step in correcting that historical oversight. Told with humanity and compassion, it is a remarkable true story.

Sincerely,
