For Love of Liberty:
The Story of America's Black Patriots
17003 Ventura Blvd.
Suite 200
Encino, CA 91316

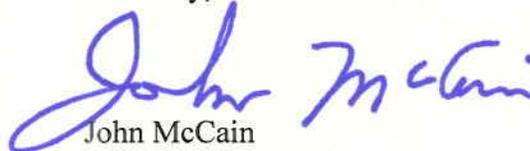

Dear Friends:

Congratulations on the production of the documentary film, *For Love of Liberty: The Story of America's Black Patriots*, based on the courageous African American men and women who have served America.

Military service in the defense of our nation is one of the highest callings and those men and women who fought for the *right* to fight are an inspiration to us all. Therefore, I would like to express my enthusiastic support for this project. It is my sincere hope that *For Love of Liberty* will be successful in not only raising public awareness of this relatively unexplored aspect of America's history, but also in inspiring the next generation of American patriots to fight for a cause greater than their own self-interest. I am constantly reminded of the dedication shown by this nation's service members. The personal accounts of devotion and steadfast service highlighted in this documentary are the histories of real heroes who helped guarantee the freedom we are all so fortunate to enjoy.

Again, I praise you all for the hard work that has gone into this project and I wish you success in the production and presentation of this film.

Sincerely,

John McCain
United States Senator
